

Captain Quirk

Captain Max Quirk - Captain Quirk a lot taller than usual, wandering through-out your event on Giant Stilts dressed in his Grooviest Gear, performing amazing juggling feats with his hands, and playing a host of silly and serious instruments from ukulele to jaw harps, kazos, harmonicas, slide whistles, tin whistles, ocarina, and the repertoire develops, playing with your crowd and getting them loosened up for Max Silliness.

Captain quirk is available as a main show 45 min or roving and is suitable for all events.
