

## Faerie Cara Face Painting

Face painting is a delightful way to bring colour to any fete, party or festival. Choose from the wide range of face painting ideas- children and adults alike transform themselves into character with face painting fun. The Faerie Folk Face painters use paints and glitter that are water based for easy removal and sensitive skin.

For more information on Faerie Cara Face Painting along with more professional face painters and children's entertainers contact Perth Professional Entertainment Services on 0893821894.
