

## High Rollin Rhythm Klngs

The High Rollers are crazy about red-hot, traditional rock n roll - and once you've heard these cats cutting loose you will be too! These boys really jump and swing - and whether you like to dance or just soak it up, you're sure in for a treat!

High Rollin Rhythm Kings features some of Australia's most respected rockabilly & country musicians.

The band are a five piece that blends the vocal talents of Andy Burnaway (The Convertibles), the dynamic jazzy duo of John Short (Peter Busher's Lone Rangers) on steel and Andy " Jumpin' Jack " Jarvis (Salt Flat Trio, Tornado Alleycats)

on guitar, Phil Morgan (also of the Lone Rangers) on double bass and the shufflin' cat Rockin' Rhys (Rusty and the Dragstrip Trio) on the skins.

High Rollin Rhythm Kings are currently one of Perth's hottest dance bands who have played the coveted Saturday night spot at the Mustang Bar for the past year, with frequent guest appearances from vocalist Lil Miss Bennett adding a further dimension to this fantastic outfit. It sure ain't got that thing, if it don't swing!
