

## Mia & Good Company

" Mia & good company" is a musical experience with a great vibe.

Mia at just 19 years old started her career at a very early age singing songs by great artists from Bacharach to the Beatles.

Mia had the idea that combining those classics along with her own well crafted and quirky original songs could be a perfect match. From the very first gig this combination clicked.

Adding an extra dimension to her solo performance, Mia is joined on stage by her songwriting and recording partner

Boyd Wilson. Boyd is a renowned performer and songwriter with many of his songs achieving Top 10 Chart success in several countries around the world.

Boyd brings his experience to Mia's relaxed and almost magical stage presence.

"Mia & good company" creates a wonderful atmosphere that is ideal for almost any occasion including weddings, private parties and corporate functions.
