

## Midnight Rambler

Local Musical Chameleons Kevin Conway and Gary Lowe take time out from their other personas ( Renegade, Hot Gossip and Raglan Road ) to perform pop/rock favorites from the last four decades as the Midnight Rambler Duo.

With a focus on up - beat classic covers, their live guitar-vocal format can be enhanced with the use of professional quality Midi backing tracks, for a full-on 'party mode' performance. For those occasions where volume restrictions apply, their material can be stripped back and performed acoustically, in all it's ' un-plugged' glory, whilst retaining

the festive vibe.

Kevin and Gary apply their years of experience as dedicated, professional musicians, to all their current projects. The Midnight Ramble Duo is no exception.
