

Sassy Catch

The fabulous Tarnia Lynn Coppers is the face, voice and creator of jazz sensation, Sassy Catch!

Tarnia was brought up on a healthy dose of band ABBA and old Saturday/Sunday afternoon movie musicals. Caught from a young age "popping wheelies" on her bicycle and singing songs at the same time, its no wonder she has fallen into the genre of performer of old MGM tunes.

Whilst creating Sassy Catch Tarnia took the time to visit some of the important cities to research the 50's

MGM style. During this time Tarnia visited film studios and cocktail lounges in and around New York, Niagara Falls, Washington, Savannah, Miami, New Orleans, Southern Louisiana, San Antonio Texas and Las Vegas.

And so now the Sassy Catch! sensation delights audiences everywhere with an authentic flavour of American MGM style mixed with an undeniable cheeky Aussie charm.

Sassy Catch is perfect for all corporate events private parties and wedding functions.
