

Shenandoah

With a huge selection of instruments including the acoustic guitar, trumpet, electric guitar, African djembe, classical piano, keyboards, clarinet, bass guitar, percussion kit and vocals, Shenandoah have the ability to create a sound and piece that is stylish and soulful. This naturally leads to creating a vibe that all audiences will appreciate and enjoy.

Craig was introduced to music at the age of 7 when he began learning the piano. His following years lead to singing in a local choir, starting the clarinet, percussion and saxophone and finally the guitar. Finishing 1997 with the highest practical TEE score in WA, he

was accepted into the Western Australian Academy of Performing Arts (WAAPA).

Sam also began his musical journey at age 7 when he was introduced to the organ.

Before ending primary school Sam began learning the trumpet, and after completing year 12, was also accepted into WAAPA. He has completed a bachelor of music which, together with his vast practical experience has earned him the title of one of Perth's most educated and talented Jazz trumpeters. Getting introduced to the drums, piano accordion, bass, piano and singing during high school, Sam is highly proficient at all these instruments performing live with each instrument with various ensembles.

Shenandoah performances include all the major corporate functions for the FREMANTLE FOOTBALL CLUB (DOCKERS) along with private functions and weddings.

A neat, sleek & polished act Shenandoah make the perfect duo to create or compliment the atmosphere of any event.
