

Switchback Duo

Switchback duo are a talented and versatile acoustic duo that combine remarkable guitar skills with amazing vocal harmonies to create a full sound you normally wouldn't expect from a two piece band.

The acoustic duo perform a diverse range of classic and modern music which makes them suitable for any function including private parties, weddings, corporate events, pubs & bars.

Christian Parkinson is one of Perth's hardest working and versatile musicians who for the past 6 years has consistently entertained crowds in all of

this city's top venues, in either, a solo, duo or a live band format. **Christian provides the lead vocals and rhythm acoustic guitar work for the duo.**

Kilian is considered one of Perth's most talented and sought after guitarists. Since the early 90's he has been a favourite on the local live music scene, performing in various cover bands and original outfits (including Dom Mariani's touring band). His guitar skills never fail to impress and entertain everyone in the room. **Albrecht provides the lead guitar and vocals for the duo.**

Quality musicianship combined with a professional attitude makes Switchback one of the top acoustic outfits available in Perth.
