## Alfredo Song List

- |                         |  |                               |
|-------------------------|--|-------------------------------|
| Africa                  | Don't let the sun go down on me            | I'm not in love               |
| Aint no sunshine        | Down under                                 | I'm on fire                   |
| All I want is you       | Dreams                                     | Imagine                       |
| Angie                   | Easy                                       | In the air tonight            |
| Another day in Paradise | Eleanor Rigby                              | Into the night                |
| April sun in Cuba       | Every breath you take                      | Iris                          |
| Are you old enough      | Everybody wants to rule the world          | Is this love                  |
| Avalon                  | Evie                                       | Jump                          |
| Baby I love your way    | Father figure                              | Keep on lovin you             |
| Baker street            | Father and Son                             | Khe Sahn                      |
| Beds are burning        | Fields of gold                             | Killing me softly             |
| Benny and the jets      | Flame trees                                | Kingston town                 |
| Boy's of summer         | Free fallin                                | Kiss from a rose              |
| Brick in the wall       | Georgy porgy                               | Lean on me                    |
| Brown eyed girl         | Great Southern Land                        | Let it be                     |
| Candle in the wind      | Good riddance (time of your life)          | Light my fire                 |
| Cat's in the cradle     | Hard to say I'm sorry                      | Love don't live here anymore  |
| Champagne supernova     | Higher ground                              | Lucy in the sky with diamonds |
| Cheap wine              | Hotel California                           | Maggie may                    |
| Choir Girl              | Hysteria                                   | Message in a bottle           |
| Come said the boy       | I can see clearly now                      | Miss you                      |
| Comfortably numb        | I shot the sheriff                         | More than words               |
| Crazy                   | I still haven't found what I'm looking for | Mustang Sally                 |
| Crocodile rock          | I want to break free                       | My girl                       |
| Daniel                  | If you leave me now                        | New years day                 |
| December 63             |  | New York state of mind        |
| Desperado               |  | November Rain                 |
| Don't dream it's over   |  | One                           |
|                         |  | One of these nights           |

## Alfredo Song List

- |                              |                         |                                   |
|------------------------------|-------------------------|-----------------------------------|
| Only women bleed             | Solitary man            | When I fall in love               |
| Ordinary world               | Somebody's crying       | Who's gonna ride your wild horses |
| Piano Man                    | Song sung blue          | Wicked game                       |
| Please don't go              | Sorrow                  | Wild world                        |
| Pride                        | Space oddity            | Wish you were here                |
| Real men                     | Stairway to heaven      | With or without you               |
| Red red wine                 | Standing on the outside | Wonderwall                        |
| Riders on the storm          | Summer of 69            | Working class man                 |
| Right here waiting           | Superstitious           | Yellow brick road                 |
| Rikki don't lose that number | Sweet child of mine     | You better be home soon           |
| Roadhouse blues              | The flame               | Your song                         |
| Rocket man                   | The world I know        | You're my best friend             |
| Rosanna                      | Under the milky way     | You've lost that lovin feelin     |
| Roxanne                      | Walkin in Memphis       |                                   |
| Run to paradise              | Walking on the moon     |                                   |
| Sacrifice                    | Weather with you        |                                   |
| Sara                         | We are the champions    |                                   |
| Shine on you crazy diamond   | We can work it out      |                                   |
| Smoke on the water           | What about me           |                                   |
