|---------------------------------------|---------------------------------|---------------------------------|
| Jazz Standards                        | On Green Dolphin Street         | Let It Be                       |
| Ain't Misbehavin'                     | On the Sunny Side of the Street | Lately                          |
| All Blues                             | September in the Rain           | Tears in Heaven                 |
| All of Me                             | Stella By Starlight             | Cold Duck Time                  |
| All the Things You Are                | Take the 'A' Train              | Walking On The Moon             |
| Autumn Leaves                         | Taking a Chance On Love         | You've Got a Friend             |
| Body and Soul                         |                                 | Redemption Song                 |
| Bye Bye Blackbird                     | There Will Never Be Another You | No Woman No Cry                 |
| Day By Day                            | Without a Song                  | Is This Love                    |
| Days of Wine and Roses                | You're My Everything            | Wide World                      |
| Exactly Like You                      | Turn your lights down low       | Moon dance                      |
| Fly Me to the Moon                    |                                 | Tuesday heartbreak              |
| Georgia                               | Latin Standards                 | Rocket love                     |
| Gone With the Wind                    |                                 | Fragile                         |
| Have You Heard Miss Jones             | Girl from Ipanema               | Walking on the moon             |
| How High the Moon                     | Manha de Carnival               | Visions                         |
| In a Mellow Tone                      | Triste                          | Yester-you yester-me yester-day |
| In the Wee Small Hours of the Morning | Wave                            | S u m m e r t i m e             |
| I Love You                            | The Shadow of Your Smile        |                                 |
| I Thought About You                   | Desifanado                      | Ordinary pain                   |
| It's Only a Paper Moon                | St. Thomas                      | Seven years                     |
| I've Got You Under My Skin            | Stars Eyes                      | Cold heart                      |
| Just Friends                          | Little Suede Shoes              | There Is No Greater Love        |
| Like Someone in Love                  |                                 |                                 |
| Mack the Knife                        | "Easy Listening" Pop Tunes      | Don't know why                  |
| Misty                                 |                                 | How come you don't call me      |
| My Foolish Heart                      | And I Love Her                  | No women no cry                 |
| My One and Only Love                  | Heard It Through the Grapevine  | Is this love                    |
| My Romance                            | My Cherie Amour                 |                                 |
| Night and Day                         | I'll Get By With a Little Help  |                                 |
