## Marilyn McClean Song

- She works hard for the money
- Simply the best
- Sleep while I drive
- Slow hand
- So predictable
- Somebody bring me some water
- Something to talk about
- Tide is high
- One summer
- These dreams
- Sometimes love just ain't enough
- Sorry seems to be
- Special two
- Steamy windows
- Stop dragging my heart around
- Summer of 69
- Summer Rain
- Sway
- Take it to the limit
- Tears in heaven
- The rose
- These boots are made for walking
- This kiss
- Thorn in my side
- To sir with love
- Took the words right out of my mouth
- Total eclipse of the heart
- True Colours
- Two out of three ain't bad
- Unbreakable heart
- Valentine
- Walk like an Egyptian
- Walk this world
- Walking on sunshine
- Wanna know what love is
- Wasn't it good
- What about me
- When will I be loved
- Where do broken hearts go?
- Who's bed have your boots been under
- Why have you left the one you left me for?
- You're not good
- And many more....
