

Absolute Kylie

Welcome To Absolute Kylie!

Since it's inception the Absolute Kylie show has played to thousands and received rave reviews. From corporate clients, private functions to family festivals (and everything else in-between), Absolute Kylie captures, with breathtaking realism, the essence of one of Australia's most loved and successful exports – Kylie!

The vision from the beginning has been to create a polished, professional show that encapsulated the "wow" factor and possesses all the ingredients that successful live acts require. A show that

"captures" the audience holding them captivated from the very beginning to very end. One that sounds exciting, looks absolutely amazing, and engages people on an emotional level.

With stunning replica costumes, live vocals, a talented troupe of professionally dedicated dancers, high energy, engaging performances including humour and audience participation and a level of true professionalism (both on and off stage) second to none, it's not surprising that the Absolute Kylie Tribute Show is quickly gaining momentum and a name for itself as one of the best Kylie Tribute Shows on offer.

Sarah Harmony stars as Kylie Minogue, creating the show after people constantly began commenting on her vocal and petite physical resemblance to the pop queen herself Kylie Minogue. (She's exactly the same size... tiny!). Sarah's uncanny ability to capture the essence of Kylie as well as look and sound like her is absolutely astounding. Unbiased reviews of the show have described Sarah as " the ultimate Kylie double - a class act.", " Sarah pulls off a celebrity with style and grace that matched Kylie to a tee!", " ..she is a true performer with charisma and energy..", " ..as a Kylie Minogue fan...our Perth version has a better voice than Kylie and certainly has the stage presence.", " ..has the Kylie vocal style and sound down pat."
