

## All Star Showstoppers

All Star Showstoppers is a new concept in tribute show entertainment that combines five incredibly versatile, professional musicians who create a night full of 'All Stars'!

The All Star Showstoppers tribute show is a full five piece live band that pays tribute to The Blues Brothers, Cliff Richard & The Shadows, David Bowie, Paul McCartney of The Beatles, Frank Sinatra, Mick Jagger of The Rolling Stones, Elton John, Freddie Mercury, Mark Knopfler, Elvis Costello, and more!

So why are the All Star Showstoppers show different ?

Well, in addition to their popular 'stand alone' tribute sets, the Showstoppers last set is generally an 'All Star Supergroup' grand finale, where the band perform tributes to Paul McCartney, Mick Jagger, Mark Knopfler, Elvis Costello and Ringo Starr - all on stage at the same time, producing an 'All Star' live band (add in costume changes to Elton John, David Bowie and more tributes if your wish), each star performing some of their all-time classic hits.

The All Star Showstoppers tribute show is perfect for festivals, corporate events and private functions including weddings and birthday parties.
