

Almost Slayed

Almost Slayed are a new Slade tribute that combine great costumes with an uncannily authentic sound to take you back to the days when Slade were the most successful British band of the early 70s Glam movement.

Their attention to detail and faithful reproduction of Slade's many hits will have you believing you are watching the original Slade in all their former glory.

Almost Slayed are all 1st class experienced musicians. Lead vocalist Danny Devlin sounds eerily like Noddy Holder

from Slade, and when he lets fly with great stomping hits such as Get Down and Get With It, Mama Were All Crazee Now, Cum On Feel The Noize and Gudbuy T'Jane you will not believe your ears.

Of all the Slade tributes in the World Almost Slayed are by far the most accurate both in look and sound, a fact reflected by the many positive and encouraging comments left by fans all over the world.

Many of whom have repeatedly requested Almost Slayed to tour the UK and Europe.
