

Cher Tribute Show

Donna Greene is without doubt one of Western Australia's most talented tribute performers.

After returning from her successful tour of India and Asia with a suitcase of shining kudos from her peers and international community for her amazing, electric and dynamic tribute to the super diva Cher.

Donna Greene began this amazing tribute show to Cher after fifteen years of repeatedly being compared to Cher both in her looks, style and voice. Donna Greene presents this professional Cher tribute show across a spectrum of 4 decades from the early sixties to Cher's recent retirement in 2003. This 30 minute floorshow with gloriously designed costumes will have you and your guests turning back time. Donna's vocal interpretation and performance is absolutely astounding.

This world class tribute performance can be tailored and enhanced with professional dancers on request.
