

Fleetwood Mac Tribute - Rumours

Claire Barry and Donna Greene recapture the classic hits that remain timeless. Two of Perth's best performers reproduce the vintage 70's when Fleetwood Mac were on top of the world as a super group and produced so many hits we've all come to know.

The dazzling vocal and character performances are outstanding as Claire performs the mystical Stevie Nicks and Donna the nonchalant Christine McVie. This is true magic & chemistry to take you there. The girls bring back the absolute nostalgia with classics such as "Rhiannon", "Say You Love Me", "Dreams",

"You Make Lovin' Fun", "Don't Stop", "Sara", "Go Your Own Way" and more.....and we guarantee you'll want more.

The Fleetwood Mac Tribute Show show can be formatted into a 70's extravaganza along with our other tributes either as a 30 or 45 minute set.

The Fleetwood Mac Tribute Show is the perfect choice for your next corporate function or private event. For more information on the Fleetwood Mac Tribute Show - Rumours and more professional bands and performers contact one of our friendly team on 0893821894
