

Michael Jackson Tribute

Ricky Desilva has been performing as Michael Jackson since the age of 8 and made a decision after Jackson's passing to bring to the stage his undoubted ability to copy all of Michael's dance moves.

Ricky is one of the very few Michael Jackson impersonators in the world that actually SING LIVE. Combined with a little added make up and wonderful costumes you will almost believe and re-live many of the great songs that remain timeless.

The Michael Jackson Tribute Show is a 30 - 45 minute performance which includes choreographed dancers and is ideal for corporate events or private functions
