

Roy Orbison Tribute

ROY ORBISON (Jay Weston)

Jay who performs Roy in the Roy Orbison tribute show is a classically trained vocalist who performs with ease the songs we have come to recognize as being simply timeless. Crying, Only the Lonely and Pretty Woman just to name a few.

Jay's tone is perfect and if you closed your eyes you'd believe the Big O' was right there. The Roy Orbison tribute show Performances are 30 minutes to 45 minutes and can be combined with 2 or 3 of your favorite tributes to create a great night of nostalgia.

The Roy Orbison Tribute Show is perfect for your next corporate function or event.
