

Electrickoraland

In the midst of all this (joyful!) festive craziness, ElectricKoraLand create a musical oasis where you can simply hang out and forget about time. Combining Kora (21 string West African Harp) and Mbira (Shona thumb piano) with electric cello and electro/acoustic percussion, the trio weave a mesmerizing sonic tapestry, simultaneously earthy and ethereal. A totally unique and compelling Australian act, with influences from all over the world!

Electrickoraland are suitable for festivals, concerts, corporate events and private functions.

For further information on Electrickoraland along with more professional music trios, bands and performers contact Perth Professional Entertainment Services on 0893821894.
