

## Groove Night Ave

Groove Night Ave are Perth based Trio who are impressing W.A audiences all over.

Groove Night Ave consists of a passionate and authentic delivery of all our favourite classics and party songs. Whether it be a night of cocktails and light dancing, wedding or a festive party celebration, the versatility and enthusiasm of this act guarantee a night to remember.

The front line consists of singer/guitarist Dean Anderson from popular Perth cover band ' Big Red Sky 'and vocalist Neika from ' Loop 'and the ' Tina Turner ' Tribute Show.

Strong vocals are the driving force to Groove Night Ave with three part harmonies, love guitar, and renowned Perth musician Ben Nicholls on keyboards. Acoustic sets are featured where the occasion calls and a blend of Crowded house, Cat Stevens, James Taylor, Beatles and Eva Cassidy etc.. set a positive mood to launch an evening of pleasure. Memorable performances of Tina Turner, Van Morrison, Stevie Wonder, Jackson 5, Cold Chisel, Anastasia, Jamiroquai, Powderfinger and much much more will keep you and your guests dancing and enjoying this years festivities!

## Groove Night Ave Song List

- |                        |                              |                             |
|------------------------|------------------------------|-----------------------------|
| Brown eyed Girl        | Hella good                   | Aint nobody                 |
| Outta love             | Have you ever seen the rain  | Boys of Summer              |
| Superstition           | Love shack                   | Cheap Wine                  |
| Cosmic Girl            | Walking on sunshine          | Aint no sunshine            |
| Blame it on the boogie | Summer of 69                 | Stairway to Heaven          |
| 3 am                   | Time of your Life            | Tears in Heaven             |
| Weather with you       | Khe sahn                     | Hot Stuff                   |
| Father and Son         | Run to Paradise              | Where did the children play |
| I will survive         | Moondance                    | Mr Jones                    |
| To Her door            | Proud Mary                   | Take You're mumma Out all   |
| Wonderwall             | Billy Jean                   | Night                       |
| Throw your arms        | Long train coming            | Hotel California            |
| Fire and rain          | Bad moon arising             | Killing Me Softly           |
| Dancin Moonlight       | Hotel California             | Look what you've done       |
| What I like about u    | No woman no cry              | Jack and Dianne             |
| Cheap Wine             | Respect                      | Hurts so good               |
| Nut Bush City Limits   | Lady marmalade               | Master Blaster              |
| Outside alone          | Smooth operator              | Rock DJ                     |
| Funky Music White Boy  | Fields of gold               | Let me Entertain you        |
| Rock ur body           | Wish you well                | Its my life                 |
| Crazyin love           | I want you to love me        | Norma Jones                 |
| Rock Dj                | Stuck in faulsum prison      |                             |
| Sweet Home Alabama     | Stuck in the middle          |                             |
| My Sharona             | Land down under              |                             |
| Im a Believer          | Don't know why i didn't come |                             |
| Better Man             | Listen to the music          |                             |
| Blister In the Sun     | Shimmer                      |                             |
| Wish you were Here     | Better                       |                             |
| Tiny Dancer            | Way to the top               |                             |
| Holy grail             | U can go you're own way      |                             |
